WARNING

Riding Waiver
This ranch does not guarantee your safety. Serious injury may result from your participation in activities at this ranch. Being around, riding, leading and handling horses are classified as a rugged adventurous recreational sport. There are a number of obvious and non-obvious inherent risks always present in such activities despite all safety precautions.

I understand that horseback riding will expose me to above normal risks. These risks will include loss of control, obstacles, and variations in terrain, and unexpected actions of the horse.

I represent that I have no health or physical problems that will interfere with horseback riding.
I agree that I am responsible for my own safety. I agree to assume and accept the dangers that exist in the activity of horseback riding.

I agree that Lazy B's Ranch, Inc. staff will not be liable if I suffer personal injury or death.
I agree that if Lazy B's Ranch, Inc. and their staff are sued by anyone else because of claimed conduct of myself, I will indemnify Lazy B's Ranch, Inc. for all damages and costs. Any injuries to person or property must be reported immediately to the guide or owner.
If you do not have medical insurance or capital sufficient to cover an accident, this ranch recommends that you do not be a spectator or participant in activities at the ranch.

Safety Helmet Waiver
I the undersigned recognize the dangers inherent with horseback riding. I am assuming the hazard of this risk upon myself. Since I wish to ride horses, I realize I am subject to injury from this activity and that no form of preplanning can remove all of the dangers that I am exposing myself to. I have been offered a protective riding helmet, which could prevent permanent brain damage in the event of an accident. Against the advice of the ranch staff, the wrangler guides, and the insurance company, I am refusing this critical safety precaution. _____Initials
